# Architects share initial concepts for school

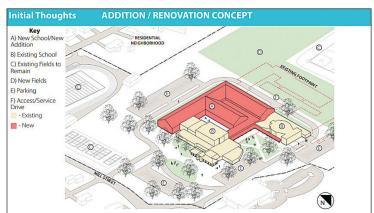

By Gregory A. Scibelli

gscibelli@turley.com

AGAWAM - While it is still unsure whether the Town of Agawam and the Agawam Public Schools will pursue a brand new building or a large-scale repair and renovation projects for Agawam High School, the process continues to move forward.

The Agawam High School Building Committee meets the second and fourth Tuesday afternoons each month. At their March 27 meeting, the committee learned a little bit more about Flansburgh, the architect that will be the designer for a project.

A presentation shared at the meeting showed a vision for a project, which includes a lot of collaboration between teachers, advanced manufacturing and engineering, health care and social

assistance, and information technology.

Among the many criticisms of the current high school is that it does not meet the needs for modern science, engineering, and technology for students.

Another potential vision for the project could be an Early Childhood Center as part of the building. It's unclear if that would be within the current building blueprint, or if an addition to the building would be sought or pro-

The Early Childhood Center has been a capital project that has been on the backburner for the town for many years, much like other buildings needing to be addressed, like Agawam Town Hall.

The police department building is being addressed now as part of a more than \$12 million bond project.

# Street/Pyne fund still going strong

By Gregory A. Scibelli gscibelli@turley.com

AGAWAM - At a recent Agawam City Council meeting, Councilors were treated to a bit a of a history lesson of a fund for needy residents which dates back to 1875.

Marie Izzo is the current chairperson of the Whiting Street and Thomas Pyne Fund Commis-

The two funds were combined in 1992 and Izzo talked to the city council about how the fund is still in good shape, but many in town may not be aware it exists.

Whiting Street's 1875 will bequeathed \$4,000 to the Town of Agawam. The funds were accepted at a town meeting in 1881 and a Whiting Street Fund was established.

It was a perpetual fund intended only for Agawam residents. According to Izzo, Street donated \$112,500 to various

communities, but Agawam may be the only community with funds remaining from the donor.

Years after the Street donation, the will of Desiree Pyne in 1894 stipulated \$2,000 be given to the town in her husband, Thomas' name. Thus, the Thomas Pyne Fund was established. The purpose of the money was to be given to the "worthy poor."

'Well, what is the worthy poor?" Izzo said. She explained the commission works through the applications submitted to decide what a worthy donation for the funds is.

Through savings, donations, and other investments, the funds were combined and there is currently \$10,300 in available money for residents.

The Board of Commissioners meets when applications are received. Izzo said she receives the applications and does filter out

# Workshop sought for energy choice proposal

AGAWAM - The Agawam City Council was scheduled to have a workshop on April 10 to learn more about the Community Choice Energy Aggregation proposal brought forward by Councilor Thomas Hendrickson and co-sponsored by Councilors Rosemary Sandlin and Anthony Russo.

According to Hendrickson, Community Choice Energy Aggregation (also known as Municipal Energy Aggregation) is a process that allows municipalities to assume the responsibility of contracting the supply source of electricity that flows to ratepayers in their municipality. This allows municipalities to prioritize longer-term energy agreements to stabilize the supply side of electricity rates. Currently, over 170 cities and towns in Massa-

# Guest Column

y dad would have celebrated his birthday this week. I think of him often and I remember how he used to get great joy out of the simple things in life. In fact, when he was sick, he stated more than once how much he missed puttering around the house and yard.

One of my dad's spring rituals was to rake the lawn. I remember him out there working his way across the yard a little at a time, making pile after pile of dead grass, leaves and small sticks. This was just the first job in a season's worth of work aimed at growing good turf.

Read on for this refresher on what else can be done to achieve an attractive greenscape with a minimal commitment.

Don't mow so low, or as often. Mowing at a height of about 3 inches will encourage a healthy

Why? Taller grass shades out developing weed seedlings. It also makes large, established weeds more susceptible to mower damage (the

# A dad-worthy lawn

more surface area of the weed that is removed, the more weakened it becomes.)

High mowing also fosters deep root growth. Deep roots sustain the lawn during periods of drought. Keep mower blades sharpened for the cleanest possible cut.

Water efficiently and effectively. If you set up sprinklers each season to water the lawn for you, take some time early in the season to position them so that water isn't wasted on sidewalks or driveways

Mark the location and set up will be a no-brainer each time.

To grow best, grass requires an inch of moisture each week, more if your soil is sandy. Do the tea cup test to determine how much water your sprinklers emit and at what rate.

Simply place a tea cup or other container on the lawn and turn on the sprinkler, check every five minutes or so until water reaches the inch mark. Now you can set a timer, or turn off the sprinklers manually knowing your lawn has gotten its weekly drink.

Most people know that early morning is the best time to water the lawn. By watering early in the day less moisture is lost to evaporation.

Grass is also less prone to fungal diseases because it has a chance to dry before nightfall.

Know your soil. A friend of mine who knew a lot about turf once told me that if I were to apply one thing to my lawn each season it should be

Grass can't grow well, or fight off diseases or bugs for that matter, if it isn't getting the nutrients it needs. Many nutrients are bound up until the pH is corrected.

Get a soil test and specify on the order form that you wish to grow grass, as results for flower or veggie gardening may differ. Based on the results of your test, recommendations will be made as to the type of lime to use and at what application rate.

For more information contact https:// ag.umass.edu/services/soil-plant-nutrient-testing-laboratory/ordering-information-forms

Here are some interesting grass facts: Did you know that according to a poll (sponsored by Briggs and Stratton) 64% of homeowners wish they had a better lawn?

Or that 65% of American homeowners own at least one lawn mower? The Professional Lawn Care Association estimates that a well-maintained lawn can increase the value of a home by up to 15%.

So, like my dad many years ago, enjoy some puttering on your property this spring. Your lawn will thank you!

# Retired public servant feels Government Pension Offset 'unjust'

ear Rusty: I'm a retired firefighter and live in Ohio. I earned Social Security from my side employment, but the Windfall Elimination Provision hit my Social Security very hard.

My wife worked in the school system and earned a state "SERS" pension. I understand the WEP offset and that doesn't bother me as much as the fact that my wife doesn't get my Social Security benefits when I die - her state pension is above the monthly limit for her to receive my Social Security. I earned that benefit by working extra jobs and being away from my family, and it seems unjust that my benefits expire with me. Thanks for letting me vent. Signed: Retired Pub-

Dear Retired Public Servant: The provision you deem as "unjust" isn't the Windfall Elimination Provision, which affects SS retirement benefits for those who also have a "non-covered" pension, a pension earned without contributing to Social Security; rather it is the Government Pension Offset, which also affects those who have a pension earned without contributing to Social Security.

Though I know it is no consolation, your frustration about the Government Pension Offset is shared by nearly a million other Americans in a similar situation. The GPO has been law since 1983 and is intended to "equalize" how spousal and survivor benefits are paid to all beneficiaries. I'm certainly not defending it, but I've researched why the GPO was enacted decades ago.

Historically, ever since spousal and survivor benefits became part of Social Security's benefit structure in the late 1930s, if a spouse also has their own personally earned SS benefit, any spousal/survivor benefit they also became entitled to was offset by their personally earned SS retirement amount. The prevailing opinion in the 1983 Congress was that because regular spousal and survivor benefits are normally offset by the spouse's own earned SS benefit, it was unfair that a spouse who had a "non-covered pension" didn't incur the same offset as those who had no such non-covered pension. Thus, GPO was enacted in 1983 to "equalize" how spousal and survivor benefits were paid. It is the GPO which will affect your wife's benefit as your surviving spouse because she earned her state pension while not contributing to Social Security.

To give you a more personal perspective, if your wife had, instead, worked outside of the Ohio school system and was entitled to a full Social Security benefit based on her own earnings from which she contributed to SS, any survivor benefit she might become entitled to from you

would still be offset by her personally earned SS retirement benefit. If her own SS retirement benefit was more than her entitlement as your widow, she would get no additional amount as your surviving spouse. Or if her own SS retirement benefit was smaller than yours, her survivor benefit would still be offset by her own benefit (her benefit would be paid first and only a supplement added to bring her payment to the higher amount she was entitled to as your widow). The purpose of the Government Pension Offset is to equalize how spousal, or survivor benefits are paid to those with, and to those without, a non-covered pension. Indeed, because the GPO only offsets the potential spousal/survivor benefit by two thirds of a spouse's non-covered pension, the GPO is actually a bit more forgiving.

# **Cooper's accepting donations for Dress for Success**

AGAWAM - For a limited time Cooper's Gifts Apparel Home of Agawam is accepting donations of professional attire for Dress for Success of Western Massachusetts.

Interview-appropriate women's clothing, shoes and accessories will be collected at Coopers through April 30.

"We invite everyone to Spring-clean their closets and change a life," said Kate Gourde, Owner of Cooper's Gifts Apparel

Donations must be like-new, clean and on hangers. All professional attire is welcome, but DFS has expressed that their greatest current needs are for plus size clothing, pocketbooks and scrubs. No casual clothing, please.

"Just ask yourself 'Would I wear this to an interview?' If the answer is yes, Dress for Success can put it to good use," Gourde said.

The mission of Dress for Success (DFS)

is to empower women to achieve economic independence by providing a network of support, professional attire and development tools to help women thrive in work and in life. They provide each client with professional attire to secure employment, but they are about much more than simply a new outfit. Besides physically equipping the client with apparel and accessories, their programs furnish her with a confidence that she carries forever and the knowledge that she can actively define her life, the direction she takes and what success means to her.

We have held clothing drives for DFS for years; our customers consider it a convenience. Especially for people West of the river, it's easier to bring donations here than up to the DFS Boutique on Boston Road," Gourde said. Items may be brought to the shop anytime during the month of April. Cooper's is located at 161 Main St., Agawam, and is open daily 10 a.m. to 5 p.m., Saturdays 10 a.m. to 4 p.m. and Sundays 12 to 4 p.m. Cooper's will be closed on Easter Sunday. Questions may be directed to Diane Jacobs from Dress for Success of Western Massachusetts, call (413)732-8179.

"This drive coincides with Dress for Success as our April Round Up charity; so it's the perfect time to spread the word of their mission and really help them out," Gourde said. Each month Gourde chooses a local charity to receive the profits of the store's Round Up program through which customers are invited to round up their purchase total to the next dollar amount. Gourde will then match 50% of the total collected. The program has donated over \$47,000 to local organizations since its inception in 2014. More information on the Round Up program and how to nominate a charity, may be found on Cooper's website www.coopersgifts.com/ round-up/.

number of "initial thoughts" for consideration by the school building committee. They include possibilities for outdoor gathering spaces, plazas and entryways, and pick-up and drop-off zones. Another thought for the school showed the potential for gardening spaces and even a school community garden.

Another rendering showed a shift in the school building, where a new addition would placed on the west side of the building and the rear of the building would be torn down. Such a concept would eliminate the varsity softball field on that side of the building.

Another concept showed a larger new structure on the west side of the current building while creating space in the rear of the building.

A third concept shows an entirely new building created adjacent to the stadium. Fields located in that area, the varsity softball diamond and practice fields used for various sports, would be relocated behind the building.

The existing building has many challenges, including the need for many upgrades to the infrastructure and systems. The majority of the school building was built in 1955. Additions were made in 1961, 1980, 1997, and in 2001.

The next meeting of the committee is scheduled for April 25.

Fast start nets first win for Agawam boys

> By Tim Peterson Sports Correspondent

CHICOPEE - After losing their first two matches of the regular season against non-league opponents, the Agawam boys' lacrosse team was looking to get into the win column versus Valley League rival Chicopee Comp.

The Brownies scored the first eight goals of the contest and coasted to a 14-2 road victory over the Colts, last Tuesday night.

'This is a huge road win for us," said Agawam head coach

# No individual state tournament for tennis

By Gregory A. Scibelli gscibelli@turley.com

FRANKLIN - There have been a lot of adjustments made as schools, especially Western and Central Massachusetts schools get used to the state tournament format after being used to regional competitions for so many

But for logistical reasons, certain regional tournaments have remained due to the nature of the sport and narrowing down competitors for higher level competition. Examples include golf, track, cross country, and wrestling.

Another sport that will be seeing a change, for at least year this year, is tennis.

In an update on March 23, the executive director's office of the Massachusetts Interscholastic Athletic Conference confirmed there would be no individual tennis tournament held at the state level this year. It has been ruled out for 2023, but MIAA committees are still working on the issue.

"At the fall Tennis Committee meeting the members discussed the Individual Tennis Tournament and appointed a subcommittee to meet with TMC representatives to consider the structure and future direction of that tournament," a report from

# **Brownies** perfect to start season

AGAWAM – The Agawam High School boys volleyball team has yet to lose a match in the 2023 season. Last week, the Brownies picked up three more wins, including a huge victory over Westfield, their first in several years. The Brownies prevailed 3-2 at Westfield last Wednesday. Westfield has grown into a very strong program during the past few years and have won a few Western Mass. titles to go with it. Agawam hopes to keep its undefeated streak going with three more matches this week and a three-match week during the spring break beginning April 17.

# **Worcester Railers steal Adirondack's 'Thunder'**

most unproven proverbs in sport is that streaks follow streaks.

The Railers are hoping to prove it true.

They snapped the Adirondack Thunder's 12-game points streak with a solid 6-2 victory Saturday night in the final regular-season game of the DCU Center hockey season. The triumph ensured that Worcester retains control of its playoff destiny.

The Railers have two games left, both at Adirondack next weekend. There are all sorts of numerical possibilities what with games in hand, overtime and shootout losses, etc, but the mathematical truth is undeniable. If Worcester wins both games in regulation, it makes the playoffs.

During the ups and downs of the last few weeks the Railers have had trouble scoring goals, but not Saturday night. Steve Jandric scored on a breakway just 69 seconds after the opening faceoff and when Jacob Hayhurst scored 38 seconds into the third period, Worcester had a four-goal lead for the first time since Feb. 24 in South Carolina.

"We changed our point of attack," coach

WORCESTER - One of the oldest and Jordan Smotherman said. "We emphasized making sure we were getting everything to the net from different angles. We wanted to get some traffic there and get some of those dirty ones, which we did tonight."

> It marked the first time since Jan. 27, a 7-6 overtime victory over Reading, that Worcester got as many as six goals in regulation. There were a lot of offensive contributors starting with Hayhurst, who had two goals. Anthony Repaci had a goal and two assists, Jandric and Myles McGurty both went 1-1-2 and Brent Beaudoin had a pair

> Nick Fea scored his seventh goal of the season, first since March 4.

> The puck spent a lot of time in the Adirondack zone. When it didn't, Henrik Tikkanen stopped all but two of the 33 Thunder shots. Adirondack scored back to back goals at 3:13 and 6:42 of the third period. Matt Stief got the first with Worcester two men short, Ryan Smith the second.

> Jandric's goal set the tone for the night. Thunder defenseman Kyle Hallbauer had the puck between his skates inside his blue

line and Jandric poked it free. He finished the play by beating goalie Mike Robinson with a 15-foot backhander. Hayhurst made it 2-0 at 18:24 of the first period, then Mc-Gurty scored his second of the season fourth as a Railer all-time — at 16:06 of the second period with Repaci setting him up.

It was McGurty's first goal in his 67 games played at the DCU Center.

Jandric's goal was not just good for the Railers. It was good for him, too. He had been playing well but not cashing in on chances.

"It was very important," Smotherman said, "he'd been dealing with some frustration the last couple of games and it was good to see him get that one early."

The Railers enter the final week of the regular season with almost no margin of error. Worcester has 72 points, Adirondack 71, but the Thunder has two games in hand, both on the road. Adirondack plays Sunday at Maine, next Friday at Trois-Rivieres. Even if the Thunder win both, they will lead the Railers by three points, a deficit Worcester could make up with a sweep next weekend.

# Registration open for 2023 **Bay State Games**

WOBURN - Registration for the 41st annual Bay State Summer Games is now open. The 2023 Summer Games will include thirty sports with competitions from June 3 to July 29 at venues throughout eastern and central Massachusetts including Game On in Fitchburg, Boston Sports Institute in Wellesley, Union Point Sports Complex in Weymouth, and New England Sports Center in Marlborough. Bay State Games participants range in age from 5 to over age 75 and represent more than 300 Massachusetts communities as well as surrounding New England States in some sports. From grassroots participants to accomplished amateur athletes, the Bay State Games provide opportunities for the athlete in all of us.

Eight high school showcase sports will take place for a variety of sports, including baseball, basketball, field hockev, ice hockey, lacrosse, soccer, softball, and volleyball. Athletes currently in grade 8-11 who live or go to school in Massachusetts are eligible to attend regional tryouts during the month of June. These tryouts will determine teams representing the various regions of the Commonwealth that will compete against each other in July. Check each sport page for specific eligibility requirements.

The Summer Games include a wide variety of individual sports including swimming, track & field, figure skating, pickleball, wrestling, weightlifting, archery, judo, badminton, and more. These sports are open to a wide range of ages and skill levels from youth participants to masters-aged athletes. Adaptive sport divisions in archery, swimming, and track & field are offered, as well. Bay State Games also organizes tournaments for pre-existing teams in girls lacrosse, rugby, and 6v6 field hockey.

For more information on all sports in the 2023 Summer Games, links to online registration, and information on other programs, go to www.baystategames.

For questions, email info@baystategames.org or call 781-932-6555.

# Thunderbirds lose to Phantoms, will make playoffs

ALLENTOWN, PA - The Springfield Thunderbirds (36-25-3-5, 80 points) fell victim to a third-period charge by the Lehigh Valley Phantoms (37-26-3-3, 80 points) in a 4-3 loss on Saturday night inside the PPL Center.

Despite the defeat, the T-Birds did secure their second straight Calder Cup playoff berth thanks to Wilkes-Barre/Scranton's 8-2 win over the Bridgeport Islanders.

After relenting the first goal of each of their past two games, Springfield wasted little time jumping to the advantage in Pennsylvania, as Nikita Alexandrov moved in on the left side looking to get a wrist shot in on Sam Ersson's net. Alexandrov's shot was ultimately blocked, but defenseman Tyler Tucker alertly followed up on the play, picked up the loose puck, and squeezed it through Ersson on the stick side, and the T-Birds had a 1-0 lead just 34 seconds into play.

Scoring chances were prevalent for each team in a first period that netted 24 combined shots on net, but Ersson settled in nicely, while T-Birds starter Garret Sparks was stellar, turning away 14 Lehigh Valley offerings, including a handful of point-blank chances from his former teammate Adam

Springfield gave Sparks a bit of insurance when Hugh McGing finished off a 2-on-1 pass from Will Bitten at 4:14 of the second, extending the lead to 2-0 on his 15th goal of the season.

A frenetic and high-paced second period, which featured exclusively even-strength hockey, finally allowed Lehigh Valley to cut the lead in half when Jordy Bellerive beat Sparks with a slot wrister at 16:07 to send the game to the third in a 2-1 score.

It appeared the T-Birds had withstood the Phantoms' toughest rebuttal when Mikhail Abramov beat Ersson at 2:11 of the third off a cross-ice pass from Mathias Laferriere. Springfield's 3-1 lead would prove to be the most dangerous one of all.

Just a minute later, after a penalty put the Phantoms on a power play, Emil Andrae beat Sparks with a seeing-eye wrister through traffic, and it was a 3-2 game at 3:11 of the third.

Before the midpoint of the third, Kevin

Connauton joined a rush, accepting a drop pass from Adam Brooks and slipping a wrister through Sparks' left arm to tie the score, 3-3 at 9:05.

The momentum jolt for the Phantoms proved to be too much to overcome, and Olle Lycksell slipped in behind two defenders following a Springfield turnover and cashed in on a one-timer on the doorstep, set up by Brooks, with just 3:24 to go to ice the game.

Lehigh Valley's win propelled the Phantoms all the way up into a three-way tie for third at 80 points. The Phantoms own the tiebreaker over both Springfield and Charlotte, so they are the team that sits in third position heading into the season's final week.

The T-Birds' regular season ends with one final 3-game weekend beginning on Friday, April 14 on home ice against the Providence Bruins. All six playoff teams for the Atlantic Division are set, but nobody has locked themselves into a seeding with precious days remaining before the Calder Cup Playoffs.

the MIAA stated. "The group met to discuss parameters and aspects of the Individual Tournament and how it fits into Association goals for the entire membership. For this spring 2023 there will only be a MIAA Team Tournament. The subcommittee will continue to dialogue and report back to the Tennis Committee."

When the Western Mass. tournament sponsored by the MIAA was removed, the PVIAC in western mass., and the Central Mass. Athletic Directors Association began holding their own tournaments the week prior to the start of state tournaments.

Western Mass., in particular, held individual tennis tournaments during the season and should again this season.

The team tournament will go on this season, with teams battling out essentially in a best of five matches. There are three singles matches and two doubles matches. Whichever teams wins at least three of those matches, wins the overall team

Prior to instituting the state tournament format, Western Mass. held both team and individual regional tournaments. The individual tournament allowed a place for talented competitors that were not part of qualifying teams a place to play for a championship, much like wrestling, which does not have a team tournament in the playoffs. Team scores are kept, but there are not dual meet competitions where teams go head-to-head like in tennis.

Spring tennis is set to get underway late this week and early next week for most teams.

Joe Heney. "One of our goals is to win the league title, which we haven't done since 2014. If we can continue to play like we did in tonight's game, we can compete with any team in our league this year."

The other members of the Valley League are West Springfield, Amherst, Belchertown, Northampton, and Wahconah, who are the defending league cham-

"Wahconah is definitely the team to beat this year," Heney said. "They play a different style of lacrosse."

The Brownies (2-2), who lost to Westfield (16-7) and Tantasqua (14-4), also defeated Northampton, 14-2, in another road match last week.

The Colts played their first match of the 2023 campaign against Agawam.

"The scoreboard really doesn't show it, but my guys played their hearts out tonight," said first-year Chicopee Comp head coach Brandon Pavoni. "Agawam is a very good and falling behind early didn't help us."

Pavoni, who has never been a head coach prior to this season, graduated from Comp in 2016.

When I was a freshman, I was member of the first ever varsity lacrosse team at Comp," said Pavoni, who's from Granby. "They were looking for a head coach this vear and I was very happy to help out."

Pavoni also played college lacrosse at Anna Maria College in Paxton. He scored 129 goals and had 59 assists for a total of 188 points in 56 career games.

"I only got to play six games as a senior before the rest of the season was canceled because of COVID," Pavoni said. "It stinks, but I'm very happy being back on the field again coaching this team."

Brandon's younger sister, Emily, is a senior on the Worcester State University women's lacrosse team this spring. She was also a member of the Lancers women's hockey team.

Just like a year ago, the Comp boys' lacrosse team is co-oping with Chicopee High. The only Chicopee High player listed on the Comp varsity roster is Kraig

"Kraig is a very good lacrosse player and we're very happy to have him on our team this year." Payoni said. "We have two other players from High on the j.v. team. We would love to have more High kids on our team in the future. I'm also hoping to get the youth program running again."

The Brownies were led offensively by junior Nick Ugolini and freshman Casev Thomas with four goals apiece.

Freshman Brayden Federico contributed with three goals.

The other Agawam freshmen are Liam Grealis, Lucas Fancy, and Jordin Agosto, who's the starting goalie. Agosto was credited with five saves.

'This is most the freshmen that we've had on the varsity team since I've been coaching here," Heney said. "They played for the j.v. team last year and it's nice to see a couple of them contributing in a big way at the varsity level."

The trio of senior Joe Liquori, junior Hayden Dupre, and sophomore Riley Jorgensen each scored one goal in the first meeting of the regular season against

The visiting team held a 6-0 lead at the end of the opening quarter, which is twelve minutes long. "We really wanted to come out strong

at the start of tonight's game," Heney added. "It's always very important to take an With 9:13 left in the first quarter, Aga-

wam took a 1-0 lead following an unassisted goal by Ugolini.

Heney said. "He played an outstanding game tonight." A little more than a minute later, Fed-

erico scored his first goal, which was assisted by Thomas. The Brownies final four first quarter

goals were scored by Ugolini and Thomas. Agawam only scored two goals in the

second quarter, which were by Thomas and Federico.

With five minutes remaining in the opening half, Comp finally broke the ice following an unassisted goal by senior Zach Canavan.

The four third quarter goals were scored by Jorgensen, Federico, Thomas, and Ugolini, as the Brownies entered the final quarter holding a comfortable 12-1 advantage.

The Colts second goal was scored by Geissler five minutes into the final quarter. It was assisted by Canavan.

Agawam's final two goals were scored by Liquori and Ugolini.

Comp junior goalie Aidan Coulombe, who's a first-year starter, tried to do his best. He made a total of 23 saves.

# CROP hunger walk helps to build global resilience

AGAWAM – As an organization rooted in faith, Church World Service believes that all people deserve to lead lives of dignity, wherever they find themselves. Weather-related disasters displace over 20 million people globally each year. Of great concern are "slow-onset" impacts, changes people feel every day, but that don't always get the press that massive storms and wildfires do. Examples include temperature increase; changes in rainfall

patterns; and saltwater intrusion of farmland or drinking water. Science and human experience show that slow-onset climate change will affect, and in some cases devastate vulnerable communities in the

That is why this year's Agawam/West Springfield CROP Hunger Walk is so important! Walkers and sponsors will help Church World Service address climate change impacts by helping farmers access seeds and learn new techniques for growing food in changing soil; by teaching building techniques so schools and homes can be built differently to withstand future natural disasters; and through assisting communities in learning new income generating skills like beekeeping to adapt and build resilience.

The Agawam/West Springfield CROP Hunger Walk will be held on Sunday, April 30, beginning with a 1 p.m. Registration Rally at First Congregational Church, 108 Park Street, in West Springfield. Church teams, civic groups, and individuals are invited to walk to help families around the world. One quarter of funds raised will remain in the community, supporting the Parish Cupboard. For more information or to register online, please go to www. crophungerwalk.org and search for "Agawam/West Springfield CROP Hunger

# **Lions Club comedy show April 28**

AGAWAM - Agawam Lions Club will be holding a comedy show on April 28 at 8 p.m. Laughing for the Lions is going to be a great event held at the Agawam Polish club, doors open at 7 p.m. show starts at 8 p.m. Tickets are \$30 and can be purchased at www.funny4funds.com/

events/laughing-for-the-lions/1079 or contact Mel at (413)530-8529 to purchase tickets. We are still looking for sponsors and raffle donations for this event.

Your support helps the Lions with different events and projects throughout our community. Hope to see you there.

# **ACC plans New York City trip**

AGAWAM - Now that pandemic conditions have eased, the Agawam Cultural Council is once again sponsoring a "Plan Your Own Day" Bus Trip to New York City, scheduled for Saturday, May 20.

On the bus, a member of the Council will be available to help with information and suggestions along the way. We will attempt to make five stops in Manhattan: The Metropolitan Museum of Art, Rockefeller Center/Radio City, Times Square/TKTS, 34th Street (Macy's), and the South Street Seaport. Riders may elect to get off at any of these scheduled stops. The bus departs the Roberta G. Doering School (Middle School), 68 Main St, Agawam, rear parking lot at 7 a.m. sharp. The return trip will leave New York City at 6:30 p.m. and be back in Agawam by about 9:30 p.m.

Further details, a map to the departure point, plus a wealth of useful NYC links, can be found at www.agawamcc.org (click on "Bus Trips" or "Our Favorite Links").

Tickets will become available mid-March, 2023. The price is \$50 per person for both residents and non-residents alike. Seating is unreserved, and limited to 54 passengers, on a first come / first served basis. Please note that seats cannot be reserved by phone.

To reserve your seat(s), please send a self-addressed, stamped envelope with a check made out to "Agawam Cultural Council" to: Agawam Cultural Council, 153 Anthony Street, Agawam, MA 01001.

Important: a phone number or e-mail address must be included with the check.

Current ticket availability, updated as requests are processed, plus contact info for the Bus Trip Coordinators can be found on the Cultural Council's "Bus Trips" page at: www.agawamcc.org.

## **Nobody dreams** of having multiple sclerosis

Some dreams are universal: hitting a ball over the Green Monster; winning the World Series with a grand slam in the bottom of the ninth inning. Finding out you have have MS is not one of them.

Multiple sclerosis is a devastating disease of the central nervous system where the body's immune system attacks the insulation surrounding the nerves. It strikes adults in the prime of life - and changes lives forever.

To help make the dream of ending MS come true, call 1-800-FIGHT MS or visit us online at nationalmsscociety.org.
