BUSINESS

Turley Publications is liberal with regard to its business coverage policies, but we do have some standards folks need to understand. First, local businesses and merchants are just as much institutions in our towns as the library and schools. Without them, there are no towns.

We will feature coverage of local businesses that are new, have a major expansion, moving, closing, under new management or ownership, celebrating a milestone anniversary, or have been thrust into the news realm. Merchants can request that coverage through the editor, or for our existing advertising clients, through their ad representatives.

For more information on business coverage for The Chicopee Register, please email chicopeeregister@turley.com.

NEWS & FEATURES

As a paper of record, we attempt to cover all general news, personality profiles, and community features that we know about. This includes all selectmen and school committee meetings as well as spot planning board, board of health, finance, and other town meetings determined by the issue's relevance to our readers. There are the annual major community event features that we should always cover, but we are more than open to suggestions of other features to celebrate the fabric of our communities and their many interesting occupants. Our loyal advertisers provide funding for this paid staff coverage.
