Marine Toys for Tots announces Child Poverty Day Initiative

TRIANGLE, VA – Across the Nation, 41% of children live at or below the poverty level. These children face obstacles and hardships every day of the year, and their parents struggle to provide even the basic necessities. As the holiday season approaches, parents are feeling the effects of record-high inflation more than ever; they simply don't have the means to buy gifts for their bright-eyed and hopeful children. Marine Toys for Tots believes that no child should ever have to face the challenges associated with living in poverty and they want to put smiles on their faces and hope in their hearts. That is why they strive to be a year-round force for good and deliver joy to children no matter the time of year. As part of Program's year-round mission, they continue to look for ways to provide comfort and emotional relief to children living in poverty. Oct. 17 was Child Poverty Day and Toys for Tots fully understands that needs are not seasonal and continue throughout the year. They want to amplify how critical it is to provide hope and joy at Christmastime and beyond to these children. Today's children are tomorrow's leaders and together, we can provide hope for a brighter tomorrow and remind them that, no matter their circumstances, no doors are closed to them in life. Support Marine Toys for Tots today to help us expand their horizons and give them the tools they need to learn and grow. Because that's the unparalleled power of play: its ability to stretch imaginations, spur development, and help America's children dream big. A better, brighter chapter is possible for economically disadvantaged children when supporters contribute in honor of Child Poverty Day. The support people provide today will provide a lifetime of nourishment to the minds of this Nation's children and put joy in their hearts. People may visit <https://secure.toysfortots.org/a/evergreen-news> to donate and be a force for good today.
