MEATBALLS from page 1

On top of that these grinders were served hot and fresh thanks to the Christ Community Church, which was kind enough to share their kitchen with the Lions Club. All proceeds are donated directly to our veterans who bravely served this nation.

These meatball grinders were seriously good, they were available starting at 11a.m, and by noon they had already sold a quarter of their supply. John Scalia, a member of the Lions Club said, "We prepare for days like this a week in advance, we start food prep at 6:30 a.m because we serve about 160 grinders on a Saturday and almost always sell out."

The Lions Club will be serving food at the same location every third Saturday of May, June, July and August. A meatball grinder, bag of chips and a canned beverage will only cost you \$10, which is a great deal for a great cause.

The Lions Club has a number of other events on the horizon. On June 7, the Lions Club will return to the Belchertown Common for a Teen Suicide Prevention event organized by the Boy Scouts. They'll also be participating in Relay For Life, serving chicken tenders, fries and possibly more.

George Cook, chairman of the Meatball Grinders Committee said, "Unfortunately, many charities swallow up most of the

money they receive from donations, but here at the Lions Club we always ensure that 100 percent of the proceeds go exactly where they're supposed to – in this case to the veterans."

Given his incredibly fitting last name, he joked, "I've been a Cook my whole life and I always will be!"

mold, bring down the temperature and humidity level.

Some dahlias like to get a jump-start on the season by prestarting dahlias indoors.

We have done this occasionally at Old Sturbridge Village and I am always amazed at just how fast the plants grow, and how quickly they outgrow their pots and become leggy. If you attempt it, four weeks prior to the last spring frost would be soon enough.
