Foundation awards Girl Scouts of Central and Western Mass

REGION — Girl Scouts of Central and Western Massachusetts recently announces it has received a three-year, \$165,000 grant from the Women's Foundation of Boston.

According to a press release, the grant will fund the expansion of the "It's a Girls World" community based program that encompasses STEM, Financial Literacy, Healthy Living and Mental Health Wellness programs.

GSCWM is one of 10 nonprofits that exclusively serves women and girls awarded in WFBoston's 2023 grant cycle and one of three grantees who serve women and/or girls in Massachusetts "Gateway Cities," the release states.

"Historically as a society, we have not done enough to build women and girls' confidence in their academic, athletic, leadership, and financial abilities, all of which are priorities for the

organizations we support and help scale," said Christina Gordon, co-founder and CEO of the Women's Foundation of Boston.

"It is crucial that we continue to invest in nonprofits, especially those operating in our Gateway Cities, giving them the ability to serve thousands of women and girls in need of our support."

According to GSCWM Fund Development and Marketing Manager Jamie Mahon, "this generous grant enables us to expand what we've been doing in Worcester County and allows us to serve more girls, meeting them where they are, in communities that may experience gaps in access to resources and programming."

Girl Scouts of Central and Western Massachusetts plans to bring It's a Girls World to Chicopee, Holyoke, Pittsfield, Springfield

and Westfield.

To inquire about It's a Girls World, or to join, volunteer, donate or reconnect, contact GSCWM at info@gscwm.org or visit gscwm.org.
