DYMON from page 13

Gray kept in touch with Dymon, who always wanted to know how he and his family were doing. "I was one of hundreds of players that he had, and he took the time," Gray said. Mike Richard said Dymon's memory was "incredible," and he could remember any stats. However, he was not so good at remembering first

names of his female colleagues and would often refer to them as "Missy." "The only women in his life were Ute and Rachel," Richard said. Tommy Gareau talked about a faster-than-expected drive to Groton for a game with Dymon, joking that he must have dreamed of being a NASCAR driver outside of coaching. During this time, he "met the man," not just the coach or teacher. In addition to being a coach, Dymon was also an avid outdoors-

man, hiking parts of the Appalachian Trail with his daughter and traveling the world with his wife Ute. "Mike's unwavering passion for athletics and the great outdoors was infectious," Dextrateur said. Dymon's family asked that donations be made in his memory to the Quabbin Alumni Field Press Box Fund, c/o Quabbin Regional School District, 872 South St., Barre, MA 01005.
