Schubert's greatest works. Like Mozart, Schubert also died very young, in 1828 at only 29, and also from a disease. The beauty and complexity of Schubert's output leaves many to mourn and speculate what he could have produced had he lived a longer time.

Concert videos made during the pandemic in 2021 and 2022 with Gusev and soprano Maria Ferrante can be viewed through the FOSC website www.FriendsoftheStoneChurch.org/music

This concert and the webcasts of Gusev's previous appearances at the Stone Church were funded in part by the Mass Cultural Council, a state agency. FOSC is proud to have received partial funding for the 2022-23 season from Local Cultural Councils of Hardwick-New Braintree, North Brookfield, Oakham and Petersham, local agencies supported by the Mass Cultural Council.

Friends of the Stone Church, Inc. is a public charitable corporation and community group organized in 2015 and open to all. Our mission is to preserve and protect the 1874 Stone Church Cultural Center and to make it available as a place of cultural and community enrichment. They welcome donations toward our ongoing historic preservation project online at www.FriendsoftheStoneChurch.org or by mail to FOSC, PO Box 347, Gilbertville, MA 01031.

WARD from page 1

Ward said art is definitely one of her favorite subjects in school and described herself as a creative person.

Ward used mixed media to create her award-winning poster, which is displayed in the entryway of the school. This included watercolor for the sky, tempera paint along with permanent marker.

She created her design by first sketching it out with pencil.

Ward said she is excited to visit the first-place winner's school where the students will plant a tree in the schoolyard.

The poster contest helped Ward show how important trees are to people, animals and the planet.

"If we didn't have trees, we'd die," she said. "They're also beau-

tiful and calm in a way that makes you feel welcome."

Her favorite tree is the willow. "They're not loud, not static... you sit under them and feel like you're in a story," she said.

Entering her poster in the contest gave Ward a boost to her confidence and she encourages other students to enter next year.

"You can do this. You just have to try," she said.

Hardwick Elementary School art teacher Tammra Cook said this is her first-year teaching in the Quabbin Regional School District, where she divides her time between Hardwick and Ruggles Lane in Barre.

Cook said she is so proud of Ward for entering the contest.

"I wanted students to participate in the Arbor Day poster con-

test because I think it's important for our school to look beyond the school walls and participate in the community. This state sponsored poster contest was something big that they could see would help support Arbor Day," she said.

Arbor Day has been celebrated in the U.S. since 1872 and the Department of Conservation and Recreation's Urban and Community Forest Program hosts a poster contest each year with a different theme. This year's theme was, "It's time for trees!"

"Through art, I am so pleased my fifth-grade students could show our love for trees and help promote the importance of trees statewide," Cook said.
