## Weir River Concert Band begin rehearsals Sept. 6

The Weir River Concert Band will begin rehearsals for its 19th season on Sept. 6 at the Stone Church Cultural Center in Gilbertville. The band rehearses from 7-8:30 p.m. on Wednesday evenings from September through June. The band performs two concerts each season; a Christmas concert in December and a concert of traditional, pop and marches for concert band in June. The band also provides live music for the Memorial Day and Veterans Day parades in Ware. The band was created to give musicians of all ages and abilities a place to learn and grow as musicians. The band has included members from the ages of 11-90 over the years. The Weir River Concert Band has been fortunate to join forces and collaborate with the Stone Church Cultural Center. After the COVID outbreak, the band was not able to use the Ware High School as a rehearsal/concert venue. The Stone Church graciously provided the band with a place to rehearse and hold performances. They have also taken on much of the responsibility of making the concert happen. The Weir River Concert Band would like to extend an invitation to musicians in the area to come join the fun. The only requirements are that you have your own instrument, you are able to read music (at any level), are willing to attend rehearsals on a regular basis (the band understands that things can sometimes interfere, and that's okay), and want to have some fun while improving your musical abilities. If you would like to join, please contact Joanne Meegan by email at jomeegan@comcast.net.
