

PUBLIC NOTICES

**PUBLIC NOTICE
RIGHT OF WAY MAINTENANCE**

As required by Massachusetts General Law Chapter 132B, National Grid (New England Power and/or Massachusetts Electric Company) hereby gives notice that it intends to selectively apply herbicides along specific transmission line rights-of-way in 2024.

The selective use of herbicides to manage vegetation along rights-of-way is done within the context of an Integrated Vegetation Management (IVM) program consisting of mechanical, chemical, natural, and cultural components. In right-of-way vegetation management the pest or target is vegetation (primarily tall growing) that will cause outages and safety issues. National Grid's IVM program encourages natural controls by promoting low growing plant communities that resist invasion by target vegetation. The selective use of herbicides and mechanical controls are the direct techniques used to control target vegetation and help establish and maintain natural controls.

National Grid may utilize any of the herbicides noted the MA Sensitive Materials list. Rodeo, and possibly one of the following herbicides, Arsenal or Arsenal Powerline, will be applied directly to the surface of stumps immediately after target vegetation is cut (Cut Stump Treatment). Garlon 4 or Garlon 4 Ultra will be applied selectively to the stems of target vegetation using hand-held equipment (Basal Treatment and Dormant stem treatment). Krenite S or Rodeo, mixed with Escort XP, and one of the following herbicides, Arsenal or Arsenal Powerline, or Milestone will be applied selectively to the foliage of target vegetation using hand-held equipment (Foliar Treatment). Cambistat as a tree growth regulator. Applications shall not commence more than ten days before nor conclude more than ten days after the following treatment periods. The herbicide mixes and additional information about rights of way management in Massachusetts can be found here: <https://www.mass.gov/rights-of-way-vegetation-management>

Municipalities that have rights-of-way that were treated in 2023 but may require some touch-up work in 2024:

Belchertown

The Sentinel
OBITUARY POLICY

Turley Publications offers two types of obituaries.

One is a free, brief **Death Notice** listing the name of deceased, date of death and funeral date and place.

The other is a **Paid Obituary**, costing \$225, which allows families to publish extended death notice information of their own choice and may include a photograph. **Death Notices & Paid Obituaries** should be submitted through a funeral home to: obits@turley.com.

Exceptions will be made only when the family provides a death certificate and must be pre-paid.
