NOTICE OF A DESIGN
PUBLIC HEARING
Project Description:
Chicopee –
Bridge Replacement,
C-13-038, I-391 over (ST116)
Chicopee Street
Project File No. 612187

A Design Public Hearing will be held to present the design for the proposed Bridge Replacement, C-13-038, I-391 over (ST116) Chicopee Street project in Chicopee, MA.

WHERE: Chicopee Public Library
449 Front Street
Chicopee, MA 01013
WHEN: Monday,
December 15, 2025 @ 6PM

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the Bridge Replacement, C-13-038, I-391 over (ST116) Chicopee Street proposed project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

PROPOSAL: The proposed project consists of the full replacement of the Vietnam Veterans’ Memorial Bridge which carries I-391 over Route 116, locally known as Chicopee Street, in the Willimansett neighborhood of Chicopee. The existing bridge is a concrete structure, original-

ly opened to traffic in 1979. It provides three northbound lanes (towards Holyoke) and three southbound lanes (towards Chicopee), though the left lanes of both directions are currently closed to traffic. Though safe for all users, this bridge has reached the end of its useful lifespan and must be replaced. MassDOT proposes to replace the existing structure with a new bridge which will provide three lanes in each direction, a 75-year design life span, and incorporate modern bridge design elements to reduce maintenance impacts to the Willimansett neighborhood and the traveling public. During demolition of the existing structure and construction of the new bridge, some limited detours and closures may be required to ensure public safety, but in general, MassDOT will seek to maintain traffic on both Chicopee Street and I-391.

A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Commonwealth of Massachusetts is responsible for acquiring all needed rights in private or public lands. MassDOT’s policy concerning land acquisitions will be presented in the hearing.

Project inquiries, written statements and other exhibits regarding the proposed undertaking may be submitted to Carrie E. Lavallee, P.E., Chief Engineer, via e-mail to massdotmajorprojects@dot.state.ma.us or via US Mail to Suite 7210, 10 Park Plaza, Boston, MA 02116, Attention: Major Projects, Project File No. 612187. Statements and exhibits intended for inclusion in the hearing transcript must be emailed or postmarked no later than ten (10) business days after the hearing is hosted.

This hearing is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (e.g interpreters in American Sign Language and languages other than English, live captioning, videos, assistive listening devices and alternate material formats), as available. For accommodation or language assistance, please contact MassDOT’s Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible and prior to the hearing, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the hearing.

In case of inclement weather, a cancellation announcement will be posted on the internet at https://www.mass.gov/orgs/highway-division/events.
