BUSINESS

Turley Publications is liberal with regard to its business coverage policies, but we do have some standards folks need to understand. First, local businesses and merchants are just as much institutions in our towns as the library and schools. Without them, there are no towns.

We will feature coverage of local businesses that are new, have a major expansion, moving, closing, under new management or ownership, celebrating a milestone anniversary, or have been thrust into the news realm. Merchants can request that coverage through the editor, or for our existing advertising clients, through their ad representatives.

For more information on business coverage for The Journal Register, please email journalregister@turley.com.
