Different name, but overtime win for Worcester

WORCESTER – Did anyone in the city see their front door blow open unexpectedly at about 5:30 Sunday afternoon?

If so, it had nothing to do with the weather. It was the entire staff and roster of the Worcester Monkey Wrenches exhaling in unison after veteran Drew Callin scored what up to now is their biggest goal of the season.

It came at 4:27 of overtime to give the home team a 1-0 victory over the Adirondack

Thunder, one of the four teams ahead of them in the North Division standings. The goal snapped a four-game losing streak on home ice and allowed Worcester to earn four of a possible six points for the weekend.

The game marked only the second time in team history it was 0-0 after 60 minutes. Worcester won the last one, as well, on March 21, 2018 at Wheeling in a shootout.

The goal was Callin's 20th goal of the season. Anthony

Repaci set it up by stealing the puck in the left circle. Callin was alone on the right side, moved in on Thunder goalie Jeremy Brodeur and beat him with a backhand fake.

"Patch made a great pass over," Callin said, "that gave me some free space. I just picked my head up, saw (Brodeur) sliding over and I figured I'd go the other way."

The overtime victory was the home team's seventh of the season, fifth at the DCU

Center.

The goaltending was great, as it often is in this division.

Brodeur stopped 27 shots. Worcester's Parker Gahagen made 25 saves for his second 1-0 victory in 29 days.

The Monkey Wrenches killed five penalties and had just one power play. They killed them beautifully to keep the game scoreless.

Worcester's penalty kill featured some excellent work by Cole Donhauser, who

played a major role in Sunday's victory.

"We have a little bit of plan going into it," Donhauser said, "but the main thought is to deny the seams, don't let the puck get going east to west, deny the one-timers, try to protect the house and our D-men did a great job blocking shots."

Gahagen's presence has made a huge difference in all the close games Worcester has played recently. Throughout the back-and-forth hav-

oc, especially in the third period and overtime, he looked like the calmest person on skates.

And the home team is playing nothing but close games these days.

"I think everybody deems it important this time of year to play the right way," Tuzolino said.

Callin became the 14th player in team history to score 20 goals. He joins brother Anthony who had 24 last season.

Thunderbirds score much-needed win over Checkers

SPRINGFIELD – The Springfield Thunderbirds (21-25-5-2) overpowered the Charlotte Checkers (30-18-4-0) on Saturday night before a sell-out crowd of 6,793 inside the MassMutual Center on Military Appreciation Night, coming away with a 5-1 victory.

Zach Dean provided instant offense on Friday night, and the third-year pro experienced deja vu on this night, jabbing home a 2-on-1 pass

from Hugh McGing just 2:20 into the action to give Springfield a 1-0 lead.

Unlike a night earlier, Steve Ott's team was able to build upon its early lead with two successful penalty kills, followed by a power-play redirection by Matthew Peca at 18:57 of the first, as the captain tipped a Calle Rosen shot through Kirill Gerasimuk.

The T-Birds' offense proved to be far from finished, as Alek

Kaskimaki took a breakaway pass from Otto Stenberg at 4:30 of the second and stayed with his initial shot to cash in on a rebound past Gerasimuk, extending the lead to 3-0.

Charlotte finally got on the board just 52 seconds later when Noah Gregor crashed the net to chip a Brian Pinho pass over the shoulder of Will Cranley, but it proved to be just a small blip on the T-Birds'

radar in what would evolve into a firestorm of offense for the home team.

Only 1:03 of game time passed before Springfield had restored its three-goal advantage, as Jakub Stancl circled the offensive zone to the right circle before firing the puck back toward the goal mouth. Dylan Peterson parked himself right outside the crease and allowed the puck to ricochet off his skate and past Ger-

asimuk to make it a 4-1 game, chasing Gerasimuk from the game in the process.

Charlotte backup Louis Domingue did not fare much better, as McGing revved up the ice on a breakaway 55 seconds later. McGing was tripped and may have earned a penalty shot, but as he was falling, the puck continued on a straight line path under Domingue's legs, giving McGing credit for the third

T-Birds goal in a 2:50 blitz, extending the lead to 5-1.

There would be no more goals in the final half of the game, but the fireworks were far from done, and with just eight seconds remaining and tempers flaring, Cranley and Domingue met at center and dropped the mitts for a goalie fight, the first in T-Birds history, which left the sellout crowd in an uproar to close out the victory.

was going into the net," said Holton, who also assisted on two goals. "This was one of the best hockey games that I've ever played in. We're now hoping to win another Western Mass. title this year."

Agawam, who wrapped up the regular season with a 4-3 overtime loss against Chicopee two days earlier, posted a 6-1 victory over Taconic in last year's Class B finals.

Unfortunately, the Brownies (3-15) didn't make it back to the championship match again this year. Their season came to an end 24 hours later

following a 5-2 semifinal loss to top-seeded McCann Tech at the Olympia Ice Center in West Springfield.

The other seniors listed on the Brownies hockey roster are Jackson Lariviere, Noah Beavis, Joey Wilikinson, Gavin Ogorzalek, Nick Brown, Brady Blanchette, Casey Thomas, who's an assistant captain, and team captain Anthony Barbarini.

"We have a total of nine seniors on this year's team," said Agawam head coach Todd Rowley. "We had an up and down season, but those guys never quit. They work very hard at practice and in every game. I'm very proud

of them. It took a total team effort to win tonight's game."

Blanchette, who's the Brownies starting goalie, was credited with a total of 17 saves against Amherst.

The Hurricanes finished their season with a 6-12-2 overall record. They tied Chicopee (4-4) and Taconic (2-2).

"I thought my players played very well in tonight's game, but it just came down to one shot in overtime," said Amherst head coach Michael Rousseau. "That was the difference maker."

The Hurricanes senior captain is Ethan Mooney, who's a defenseman. He was

credited with three assists in the quarterfinals.

"Ethan joined our hockey team as a sophomore and it's been a pleasure watching him grow during the past couple of years," Rousseau said. "He's the leader of our hockey team."

Mooney, who attends Pathfinder Tech, plays hockey for Amherst as part of a co-op.

The other hockey players from Pathfinder Tech listed on the Amherst hockey roster are sophomore Noah Latulippe, sophomore Landon Lukasik, sophomore Nolan MacTavish, freshman Mason Sadusky, freshman Lin-

coln Auclair, and freshman Landon LaCroix.

Agawam and Amherst split the regular season series for the second year in a row.

The Hurricanes took a 1-0 lead in the quarterfinal match following an unassisted goal from junior Sawyer Ferro at the 10:46 mark of the opening period.

Less than a minute later, Brown scored the equalizer for Agawam.

The Brownies took the lead for the first time four minutes into the second period when junior Braden Parrelli banged home a rebound shot.

The scoring spree contin-

ued with a goal from Grahm Arguin tying the score at 2-2 with 10:13 remaining in the second period.

The contest was also tied at 3-3, entering the final 15 minutes of regulation. Parrelli and Ferro scored their second goal of the match during the final eight minutes of the opening period.

The Hurricanes retook the lead following a goal by freshman Brody Palmisano 28 seconds into the third period.

Holton scored a short-handed goal with ten minutes remaining in regulation before becoming the hero of the game a minute into overtime.

Diabetes is recognized as a global public health epidemic, with the number of cases more than quadrupling since 1990. Cases in the U.S. are expected to surge more than 50% by 2030. More worrisome is that, according to 2021 estimates from Centers for Disease Control and Prevention, 8.7 million adults met the criteria for diabetes but were unaware of it.

Awareness is the first step toward controlling blood sugar and perhaps preventing diabetes. Your A1C can point the way.
