be sent to the Board of Selectmen asking the policy be reconsidered and that the previous adjustment process be restored."

Adjustments, also known as abatements, are often

done in excise tax bills if an individual changes vehicles. When excise tax bills are sent out, they are for the calendar year. If a person ceases driving a certain vehicle before the year has ended, they are entitled to

an abatement of their bill equal to the percentage of the year they are no longer driving that vehicle.

The Selectmen were scheduled to receive and evaluate the letter at their meeting earlier this week.
