Nobody dreams of having multiple sclerosis

Some dreams are universal: hitting a ball over the Green Monster; winning the World Series with a grand slam in the bottom of the ninth inning. Finding out you have have MS is not one of them.

Multiple sclerosis is a devastating disease of the central nervous system where the body's immune system attacks the insulation surrounding the nerves. It strikes adults in the prime of life - and changes lives forever.

TOURNAMENT from page 1

Battle of the Bars.

2027 will mark the 74th year of the St. Patrick's Day Parade. There is an average of 15,000 marchers per year.

Marc Rogers of the St. Patrick's Committee of Holyoke said the parade started back in 1952.

The committee has around 120 active members who help with event planning and parade coordinating.

The golf tournament had a good turnout with a sold-out year. The golfers were playing not only for bragging rights but also for pro shop credit at Ledges Golf Club.

Each team played 18 holes of golf and hoped to be as under par as possible.

Players also participated in a raffle which featured over 60 prizes. Ticket purchasers got a chance to win certificates, liquor and gift baskets.

Breakfast and lunch were provided by Sunset Grille at Ledges Golf Club. Hot dogs and hamburgers were on the menu for lunch.

Prior to the tournament, Rogers shared a few announcements and thanked all 28 teams for their participation. Members of the committee also thanked their sponsors and supporters.

Before teeing off, the golfers waited to hear the sound of a shotgun fire which is a ceremonial tradition during the golf tournament. The shot was fired by Jim Wildman.

More information and events can be found at www.holyokestpatricksparade.com. Events are also posted on the Facebook page, Holyoke St. Patrick's Parade.
